CURRICULUM VITAE

PERSONAL DATA:

Name: JOHN KAISER

E-mail: johnkaiser964@gmail.com

Phone: +254795655023

Portfolio: https://johnkaizer.github.io/

SUMMARY (PROFILE/PROJECTS):

I am an android developer, using Android studio and frameworks like flutter to develop native android applications that meet user's needs and requirements. I have experience in developing android applications using both Java (2+ years) and Kotlin (1+years). I have been able to develop several applications using the two languages. I have worked with several databases in developing application including sqlite and the firebase firestore. Some off the projects I have worked on include KukuStoreApp which gives users information about rearing chicken.
